Tortoise Quad-Point Pen

Our Quad Point Pens have four different writing tips in one pen. There are three inks - black, red, and blue, and one .5mm pencil and all four are refillable. Each pen comes gift boxed and with an eraser in the cap. These pens are the original Multi-Point carried by Franklin Quest, Franklin Covey and Daytimers. This pen's barrel is Tortoise Shell and is made in Japan.

This pen is on sale now!
